

A.Y. 2024-25
Department of Computer Engineering
Major Project Activity Sheet

Sr. No.	Activity Expected	Documents to be submitted to the Project Guide	Deadline	Guide's Sign with Date
1	Refining and finalizing problem statement	Clear refined problem statement having pointwise description about things to be implemented	19/08/2024	 23/08/24.
2	Literature Review and Gaps Identification	Tabular literature survey of at least 10 research papers of last 3 years. The table must have the following columns. 1. Author(s) and Year of publication 2. Title of the paper 3. Key methodology followed 4. Findings 3. Gaps/ Limitations 4. Future Work	31/08/2024	 09/10/24.
3	Proposed Methodology	Detailed description of proposed methodology Proposed Architecture Diagram	6/09/2024	 10/10/24
4	Identification of technique for implementation of proposed methodology	Detailed description of precise model/ algorithms/ technique identified for implementation	13/09/2024	 10/10/24
5	Implementation : Gathering Required Data/ Components/ Field Data	Detailed description of Data/ Components with images, their sources and validation/ approval letter if applicable	24/09/2024	 23/11/24
6	Implementation: Preprocessing	Detailed description of applied preprocessing with code snippet and results	30/09/2024	 23/11/24
7	Implementation : Progress report 1	Description of progress made so far with code snippets and output	5/10/2024	 23/11/24
8	Implementation : Progress report 2	Description of progress made so far with code snippets and output	11/10/2024	 23/11/24
9	Implementation : Progress report 3	Description of progress made so far with code snippets and output	18/10/2024	 23/11/24
10	Implementation : Progress report 4	Description of progress made so far with code snippets and output	26/10/2024	 23/11/24
11	Documentation	Project Report, Timeline followed, Signed Project Activity Sheet, Rough draft of technical paper, Patent/copyright	8/11/2024	 23/11/24,
