Shashwat Shah Tutorial 1 60004220126 Comps BD -> Activity 1 Hey gugs I'm Shashwat Stah an entrustantic person who lives in a joint family with 13 people, including my grandmother 5 cousins and my parents. My mother is a housewife and a tution teacher concreas my father runs due family business of photography continued from my grantfestien. Personally weighting new interests me, at first photography then acting their eyeing and so on Eventally over a period with new beginnings we have achieved being a national (suel Artistic States and have been an avid cyclist. I am a part of an eco friendly Cycling club which supports the green environment. I have given movie auditions and have taken past in multiple stage shows. Yet many more achievements to cover there is always a failure jactor that leads to the charge within us. Custoral Events fitness etc was always something I made sure of. I'm done my diploma in CSE from Bhagubhai Majottal and there is something I leasn. Its not always about the marks or the regular college studies. It also includes the skillset, the skills like those which you have eightened not by any college but by yourself by your own will. This is something I prosonally made sure and understand. It tought me now I differentiated between the right and wrong, And yet there are many more aspiration that need to be achieved but looking at the warrent stages as life its 5to better to let accept the life the way it is an FOR EDUCATIONAL USE Sundaram

1	Story of stuff is basically a documentary that is created by a sed of
	concerned people from the USA inorder to show the actual scenario
	of the working economy and hence these activities have tited to provide
	enough awareness by this document to show the actual behind the
	scene working and the actual haam that is caused due to these
0	toxic charmeds and directly or indirectly showing us the reason
<del></del>	the same. Hence we can reduce the large number of environmentally
	Social issues by protecting one previous resources

2	The owlone of these efforts vosey according to the video and the
	viewers perspective. All these efforts may not be able to bring charge
•	or the spot, but eventually it can help change the mindset of the
	people and can be used as a long term solution for tere
	problems. These can also show us that we have to moke
	sure of the resource management and also. The main impact
)	that should lead to great difference as an outame is boulety
	that we take one of the global environment,
3	Human activities are definately mothered and promoted by more hereby
	of happiness is delihately programmed by admentisement marketing by
	company and meurly constantly charmy foshion. The notion needs
	to be made sure that all the actually that take place must
	be done under the top control Inorder to stop the what
	is going on and on. It is agreed that more shopping leads
	to more physical facilities and these pore indirectly related to
	happiness but when we take cure of the cycle then this is
	something that has been created and can be realisted and

•	infact it should be restricted. Some of these activities have been
	by snow business and other ways which is not actually necessary.
Ч	when it comes on reflecting on my own notion of happiness then it helps in Julially the motive related to the next important
<del>-</del>	scenario. To accomplish his or small tooks which generally lead to be coming a better personality. Therefore I would say that my notion for the same is similar to the general
	turns but can be made sure of improving the current scenarios and making sure of betterment as much as possible.
